# WHO WE ARE & WHAT WE DO?

A digital marketing agency based in Egypt. We understand the importance of a brand's social media presence.

We get to know them and their target audiences intimately, then we create, develop and communicate brands and their messages in an impactful & engaging way on their social media platforms.

Budget designs and implements a social media marketing campaign for its clients in such a way that adds value to potential and existing stakeholder and does not look like a mere company pushing product.

The best way for us to tell you our story is through the projects that we deliver for our clients – the following pages will show a brief about us, our services and some of the best creative – we hope you like it!

### OUR MISSION

To make a relationship last long, a strong connection is the key. Knowing each other, building a consistent approach, taking an in-depth look at the scenario together is how we make it work.
